

Request for Governing Documents

Darkhorse Owners' Association (DHOA) governing documents, such as CC&Rs and architectural guidelines, as well as meeting minutes and insurance documents are freely accessible to DHOA members through the DHOA Owner Portal at <https://hoonline.pro>.

Other interested parties may request these documents by visiting the docLine Web application at <https://docLineapp.com>. A free account is required to access the service. In the box labeled, "Association Name," type "Darkhorse" and select "1000 Darkhorse General Inquiry" from the search results. While DHOA does not charge a fee, docLine charges a \$5 processing fee for each document download.

Five document downloads are available; the first three are most relevant to a general inquiry:

1. Governing Documents:
 - Articles of Incorporation
 - Bylaws
 - Covenants, Conditions and Restrictions (CC&Rs)
 - Architectural and Landscape Design Guidelines, including the Application for Architectural and Landscape Review
2. Financial Documents
3. Meeting Minutes
4. Lender's Certification (for lender's use in escrow)
5. New Resident Welcome Form (for residents to complete when moving into the Darkhorse Neighborhood)

Please submit questions and comments through the "[Contact Us](#)" page.
